From the President

Holiday Greetings to all members,

Naturally, I want to address the holiday home tour which is around the corner, on Saturday, December 8th. This tour is a BIG DEAL! It's organized by our members who have worked very hard to pull this off. This is a fun fundraiser, and all profits go to scholarships. Hope you can show your support, be a docent at a home, buy tickets, and enjoy the participating homes. Thanks to Cindy for chairing this committee, and Betty, Brenda, Trudy and June for selling ads, making arrangements, and to Dolores, Celiane and Lou for their advertising and publicity work. You are amazing!

Also hope to see you on Monday, December 17 for the holiday luncheon, silent auction and caroling from St. Michael's High School."

Carol

New Members

*Trish Foschi,
Reni Courtney
Sheila Gershen*

Welcome!

Remembering Bernice Weiss
May 26, 1936 – Nov. 13, 2018

With sadness, we relate the passing of our member Bernice. Bernice had struggled with cancer for quite some time But faithfully helped at our last Flea market as cashier.

**Art Committee Report
Submitted by
Dolores Whitaker**

Selene Sinclair presented her glass fuse broches at the November Woman's Club Luncheon. She is a multi-media artist living and working in Santa Fe for nearly 50 years. Her paintings and prints are shown internationally. She teaches micaceous ceramic, landscape, and book binding. She has only recently taken up fused glass. Thank you, Selene.

Silent Auction Report

Celiane and I have already started the process of preparations for the Annual Christmas Auction. Lots of very special jewelry along with India shawls and some surprises. Don't forget to bring your checkbooks as lots of potential gifts for you and your family members. It's great fun especially if members are bidding for their special items. If our members have donations for auction please call Dolores or Celiane so they may be processed.

AND LAST BUT NOT LEAST!

A Huge Thank you to our kitchen crew of Betty Scott, Sue Horne, Barbara Getz and Lonnie Trimarche

And to Celianne Dunnetz who this last year has given her talents for publicity for the Art & Craft Fair In May, the Flea Market, and the Home Tour. Celianne also coordinates the jewelry section at the Flea Market using her professional expertise from her jewelry making career. She has also photographed at our events for use in the newsletter. Kudos, Celianne!

Coming in January:

Monthly Meeting and Speaker

Mon. Jan. 21, Noon

Tallie Tolen, Nia Instructor
"Through Movement We Find Health"

Annual Dues Will Be Due In January
Stay Tuned for More Information.
